

## OMNICANNE ETHANOL PRODUCTION LIMITED

### Food Safety Policy

*Omnicanne Ethanol Production Limited operates a bio-ethanol distillery at La Baraque and a bio-ethanol storage facility in the Port Area. The main purpose of Omnicanne Ethanol Production Limited is to produce high quality neutral bio-ethanol using molasses. Our primary objective is to achieve high food safety standards in our operations in order to meet the requirements of our customers as well as those of other stakeholders.*

*In order to maintain food safety performance at the highest level, we are engaged to*

- *To adopt good production practices with a team of qualified and trained personnel.*
- *To adopt a good level of hygiene and cleanliness in our activities.*
- *Comply to both statutory and regulatory requirements and with mutually agreed food safety requirements of customers.*
- *Communicate, implement and maintain our policy and other food safety related matters at all levels within our organization.*
- *Constantly review our food safety policy, objectives and target to ensure the continued suitability of our food safety management system.*
